夕日ロマンス

Kurenai Yuugure
Older sister, older sister moe! Her character went on a rampage a bit. If you were really with her, you'd probably get super tired. But this is fiction, so it's okay.
Kurenai Hiiro
Naturally curly. I like the messiness of his hair. As the story went on his expressions and talking decreased. Sorry.
Translator's Note
Kurenai means "crimson"
Yuugure means "sunset"
It's likely the title of the manga came from her name.

Mom
I made her an extra
when I made Tomo
So young, just how
old is she?

would continue, I made her
up in my mind to compete
with the older sister
I had a younger sister

Asahina Tomoshibi
Translator's Note
Akari means "light" as well

Sensei
The teacher in the infirmatory. Older. Completely based on my personal liking. I love you, Makoto sensai!!
